Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Through a series of interviews between the above dates the applicant's representative and the examiner discussed the independent claims and specifically the limitations of minimum bet and minimum denomination. The examiner stated that the reference to Acres does not explicitly disclose the minimum bet and denomination but the reference does teach varying the cost to the player per unit time and agreed that the rejection may be better suited as a 103 rejection. .
